Good ways to draw graphs?

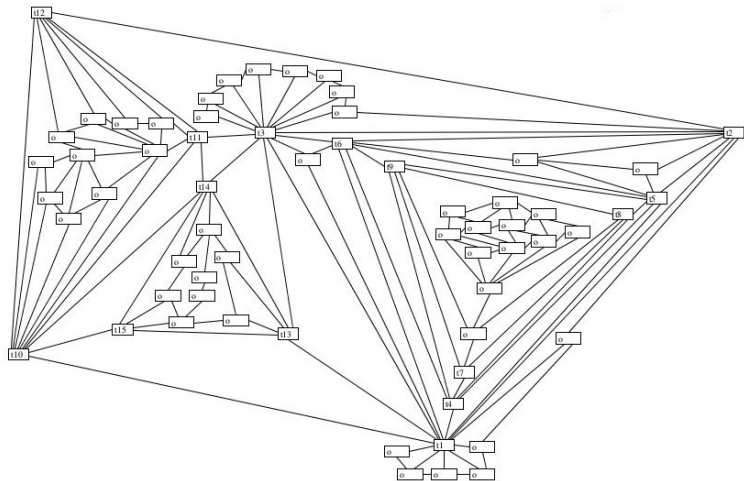

Energy minimization

Graph Drawing Contest 1995

Good ways to draw graphs?

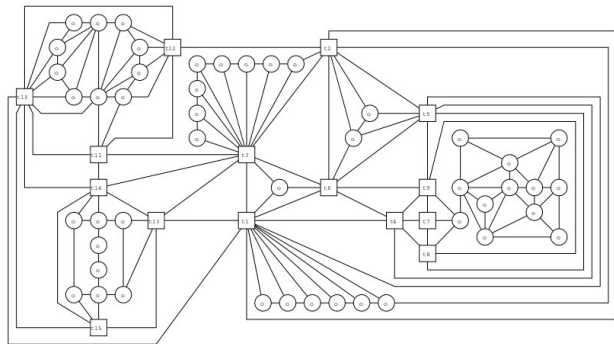

Local heuristics

Graph Drawing Contest 1995

Good ways to draw graphs?

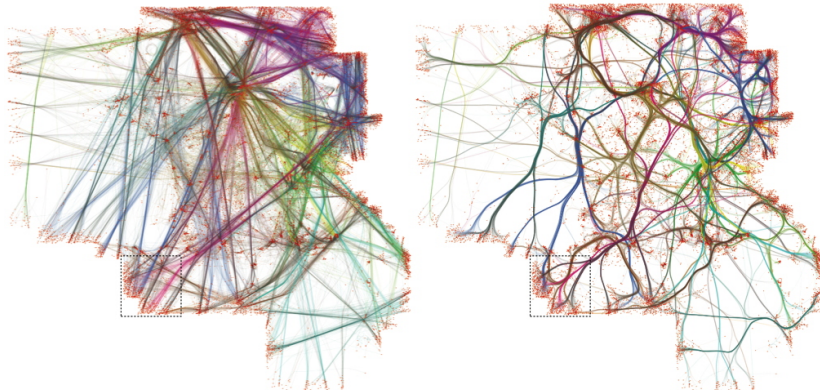

Orthogonal edges

Graph Drawing Contest 1995

Good ways to draw graphs?

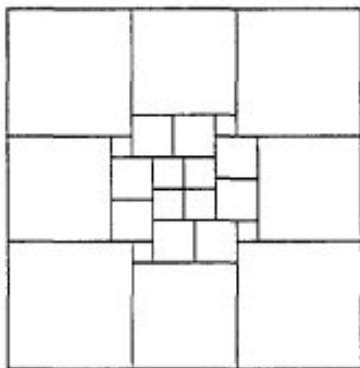

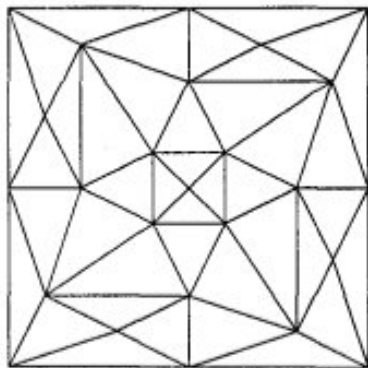

Skeletons/Flows

Skeleton-Based Edge Bundling for Graph Visualization, O. Ersoy et al. 2011

What graphs can be drawn in a certain way?

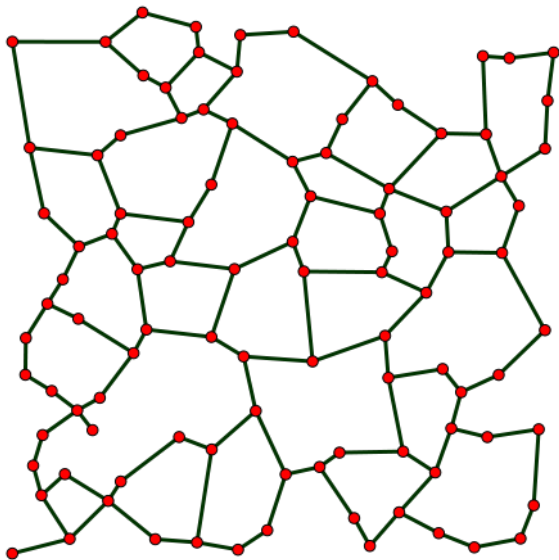

As contact of squares (or other shapes)

Square Tilings with Prescribed Combinatorics, O. Schramm 1993

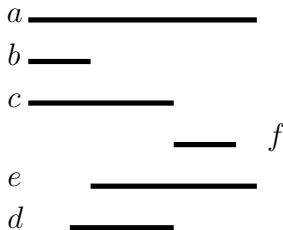

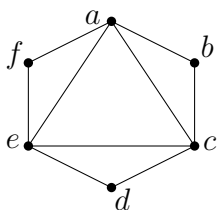

What graphs can be drawn in a certain way?

As "close" points

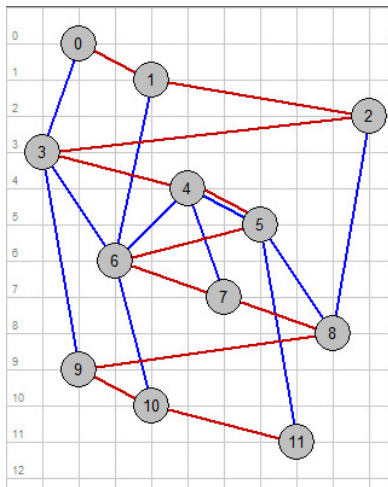

What graphs can be drawn in a certain way?

As visibility graphs between geometric objects

Simultaneous drawings

Drawing different graphs on the same points

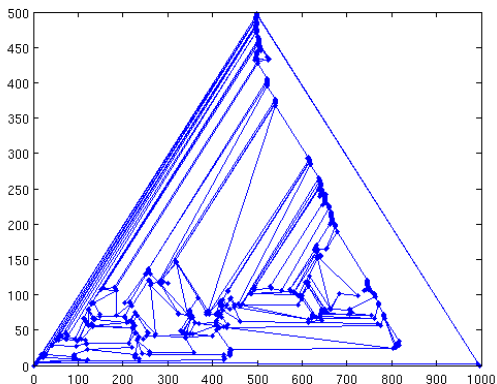

S. Kobourov 2003

Do “universal” point sets exist?

Restricted drawings

Drawing graphs on small grids

MatlabBGL

How small?
