INSTRUCTIONS TO THE OCCUPANTS AND STAFF IN CASE OF EMERGENCY

If you discover a fire or explosion in the INSTITUTE FOR COMPUTING INFORMATION & COGNITIVE SYSTEMS / COMPUTER SCIENCE (153 & 155)

1. Immediately sound the fire alarm, see the marked floor plans for the pull station nearest to you.
2. Call 911 or have the Fire Safety Director call 911 and give any information you may have about the emergency: what floor, whether the fire is spreading fast, whether there are people trapped etc. The Fire Safety Director location is on level __________ local.

The person in-charge will pass the information on to the Fire Depart-

3. Attempt to control the fire with available fire equipment. Use an extinguisher or a hose from a hose cabinet. See the marked floor plan for equipment locations.

4. If you cannot control the fire, try to isolate it by closing the doors. Do not lock the doors.

5. Leave by the nearest safe exit.

6. Do not use the elevator.

7. Walk. Do not run. Shut doors behind you. Go along corridors and stairways in an orderly manner. On leaving the building move well away from it immediately.

8. Do not go back in the building for any reason until the all-clear has been announced.

If you hear the fire alarm ringing - Follow steps 5 through 8 above.

Building Address: 2365 Main Mall
Nearest Intersection: Main Mall & Agronomy Road
