Hey Wally... Can you hand me that flux capacitor?

SURE... BUILDING A TIME MACHINE, EH?

But if you go too far in the future, apes will rule the planet, so you'd...

Forget about the apes. It will only go into the past...

Hey Wally... Can you hand me that flux capacitor?

SURE... BUILDING A TIME MACHINE, EH?

Are you going to go back in time and actually get work done this summer?

Or maybe go back and tell a younger you what to focus your thesis on?

Or get some stock tips and lottery numbers so you can live in leisure!

And there's a strange bug in the system so it will only go back five "units"...

But how long is a "unit"? An hour? A day? A year? A...

Hey Wally... Why not just go to the future and get a copy of your completed thesis?

Or better yet...
