Hey... wanna hear my New Year's resolution?

Gradbert is no longer talking to Wally as it's a huge drain on his time and productivity.

So anyway...

SO ANYWAY...

My New Year's resolution is going to be...

1920 by 1080... because my next year is going to be in high definition, baby! ... get it? ... it's an HDTV joke...

So what else did I have to tell you... oh yeah...

So I'm on the bus... blah blah blah...

... what else did I have to tell you... oh yeah...

So I'm on the bus... blah blah blah...

... so what else did I have to tell you... oh yeah... so I'm on the bus... blah blah blah ...

Gradbert just had a major breakthrough in his research.

Gradbert finished writing up a thesis chapter. Boo-Yah!

Gradbert just cured cancer. He should have ignored Wally a long time ago.
