 Leo  (July 23 – Aug. 22)
JANICE: Every time something gets difficult in your life you ignore it or you run and hide – i.e.: your instinct when reading this horoscope is to ignore it.

JOHNNY: You need to take a Valium®. We’re not kidding. Go take one. Fine. Be that way. But we’re not going to finish your horoscope until you do...

LIBRA  (Sep. 23 – Oct. 23)
ANTHONY: Your problem is that you were never as smart as you thought you were. I’d explain it to you but I’m not sure you’d understand the finer nuances.

AQUARIUS  (Jan. 20 – Feb. 18)
DR. MELFI: Everyone seems to trust you with their secrets, and you hand out tons of advice... but why can't you give yourself the hard advice you need?

PISCES  (Feb. 19 – March 20)
ARTIE: You’re fun to be around, and a great friend to many but you never step up to the plate and take a leadership role. Good thing, as you’d mess it up.
