

HOROSCOPES & HUMOUR

By Dave Tompkins

ACADEMIC YEAR 2003-04 PREDICTIONS

ARIES (March 21 – April 19)

This will be a year of academic successes, personal triumphs and unprecedented good fortune... for other people. Your year? Lots of spite and envy.

TAURUS (April 20 – May 20)

We recommend you use the technique of positive visualization throughout this year. We know it won't work, but we think it's funny when you try.

GEMINI (May 21 – June 21)

You know that thing that you've been trying really hard to forget about? This year you'll finally kill enough brain cells to make that dream a reality!

CANCER (June 22 – July 22)

You can choose either a year of love, pleasure and health or a year of heartache, pain and suffering. Oh, wait... WE get to choose. Sorry old chap.

LEO (July 23 – Aug. 22)

Dude... this is so funny. You should see the crazy stuff that's going to happen to Leo this year. Man... it's too hard to express in print. Call me.

VIRGO (Aug. 23 – Sep. 22)

So this Virgo walks into a bar, and there is a Priest, a Mathematician and Simon from American Idol. That's the perfect analogy for your academic year.

LIBRA (Sep. 23 – Oct. 23)

Sometimes we like a second opinion: we consulted Nostradamus, Jojo, and the Tobin Spirit Guide. They all say your year is going to suck. We agree.

SCORPIO (Oct. 24 – Nov. 21)

And so you're back... from outer space. I just walked in to find you here, with that sad look upon your face. I should have changed that stupid lock.

SAGITTARIUS (Nov. 22 – Dec. 21)

Trust us on this one: Take \$100, put it in a balloon and swallow it. When it comes time to "retrieve" it, you'll know exactly what you need it for.

CAPRICORN (Dec. 22 – Jan. 19)

Throughout this year, you'll keep asking yourself the same question: "Am I doing the right thing?" We know that you know that you know the answer.

AQUARIUS (Jan. 20 – Feb. 18)

You know that restless feeling you sometimes get? You're anxious, but not hungry or thirsty, and you don't feel like working. Prepare for a year of that.

PISCES (Feb. 19 – March 20)

Thr is going to b somthing missing from your school yar, and you'r going to rally miss it, and it's going to driv you absolutly crazy, just lik this sntnc.
