"Refudiate," "misunderestimate,"
"wee-wee'd up." English is a living
language. Shakespeare liked to coin new
words too. Got to celebrate it!

No seriously, she's more retarded than Trig

"The America I know and love is not one in which my parents or my baby with Down Syndrome will have to stand in front of Obama's 'death panel' so his bureaucrats can decide, based on a subjective judgment of their 'level of productivity in society,' whether they are worthy of health care. Such a system is downright evil." --Sarah Palin, in a message posted on Facebook about Obama's health care plan, Aug. 12, 2009

The article:

PolitiFact's Lie of the Year: 'Death panels'

By [Angie Drobnic Holan](#)

Published on Friday, December 18th, 2009 at 5:15 p.m.

Of all the falsehoods and distortions in the political discourse this year, one stood out from the rest.

"Death panels."

The claim set political debate afire when it was made in August, raising issues from the role of government in health care to the bounds of acceptable political discussion. In a nod to the way technology has transformed politics, the statement wasn't made in an interview or a television ad. Sarah Palin posted it on her Facebook page.

Her assertion — that the government would set up boards to determine whether seniors and the disabled were worthy of care — spread through newscasts, talk shows, blogs and town hall meetings. Opponents of health care legislation said it revealed the real goals of the Democratic proposals. Advocates for health reform said it showed the depths to which their opponents would sink. Still others scratched their heads and said, "Death panels? Really?"

The editors of PolitiFact.com, the fact-checking Web site of the *St. Petersburg Times*, have chosen it as our inaugural "Lie of the Year."

PolitiFact readers overwhelmingly supported the decision. Nearly 5,000 voted in a national poll to name the biggest lie, and 61 percent chose "death panels" from a field of eight finalists. ([See the complete results.](#))

This is the story of how two words generated intense heat in the national debate over health care.

Related rulings:

Seniors and the disabled "will have to stand in front of Obama's 'death panel' so his bureaucrats can decide, based on a subjective judgment of their 'level of productivity in society,' whether they are worthy of health care."

Sarah Palin, Friday, August 7th, 2009.

A winner in our "Lie of the Year" contest!

Mitt Romney

- ❖ Mormon
- ❖ Passed health care law similar to new federal Affordable Care Act. Works well in Massachusetts, but won't admit that's it a good idea nationally because Teabaggers are stupid.
- ❖ Not hated, but no one likes him

Michelle Bachman, the Craziest One

- ❖ Appeals to teabaggers

Her speech after Obama's State of the Union Address during which she looked at the wrong camera throughout.

Teabaggers?

Ah! Stop! Dude, stop! I thought you meant we were gonna go make signs callin' the president a nnnn... Not very good... president.

Oh, those teabaggers

Dumber than Palin?

- ❖ “And what a bizarre time we’re in when a judge will say to little children that you can’t say the pledge of allegiance, but you must learn that homosexuality is normal and you should try it”
- ❖ “I find it interesting that it was back in the 1970s that the swine flu broke out then under another Democrat president Jimmy Carter. And I’m not blaming this on President Obama, I just think its an interesting coincidence”
- ❖ “If we took away the minimum wage -- if conceivably it was gone -- we could potentially, virtually wipe out unemployment completely because we would be able to offer jobs at whatever level”

Yeah kinda...

- ❖ “There are hundreds and hundreds of scientists, many of them holding Nobel Prizes, who believe in intelligent design”
- ❖ “I wish the American media would take a great look at the views of people in congress and find out: Are the Pro-America or Anti-America?”

Rick Santorum

- ❖ Who's that? Maybe I'll ask Google?

Moral of the story:

- ❖ Don't fuck with Dan Savage, you homophobe

Anything not gay sex related?

- ❖ One of Citizens for Responsibility + Ethics in Washington 20 most corrupt congressmen
 - ❖ “Santorum’s ethics issues stem from the manner in which he funded his children’s education and his misuse of his legislative position in exchange for contributions to his political action committee and his re-election campaign.”
- ❖ Tried to get Intelligent Design taught in public schools

Also an idiot

- ❖ Tried to say finding Osama bin Laden was a result of torture
 - ❖ hint: it WASN'T
- ❖ John McCain called him out
- ❖ “And so this idea that we didn't ask that question while Khalid Sheik Mohammed was being waterboarded, he [McCain] doesn't understand how enhanced interrogation works. I mean, you break somebody, and after they're broken, they become cooperative. And that's when we got this information.”

Yeah, this McCain

- ❖ Hilarious pic
- ❖ But seriously, can't lift arms above head because he was tortured by the North Vietnamese
- ❖ Point is, probably understands torture better than Mr. FrothyShitLube

McCain's aid agrees with me

- ❖ "For pure, blind stupidity, nobody beats Santorum. In my 20 years in the Senate, I never met a dumber member, which he reminded me of today,"

Trump (I made the text gold)

- ❖ What the fuck is on his head?

Do I need to show the teabagger picture again?

- ❖ Pretty hung up on Obama not being an American.... turns out he is, though
- ❖ “I have a great relationship with the blacks”
- ❖ “Donald Trump says he has a great relationship with “the blacks,” but unless “the Blacks” are a family of white people, I think he’s mistaken”. --Seth Myers
