Mr Martin uploaded videos where he appeared to win skins worth thousands of dollars

The screenshot shows a trading website interface for a CS:GO match. At the top, there's a browser tab bar with several tabs open. Below that, the match summary is displayed. On the left, a 'ROUND COUNTDOWN' shows '00:00 TIME LEFT' and a progress indicator at '37'. In the center, 'YOUR STANDINGS' shows '2 SIGNS', '18.84 ODDS OF WIN', and '1670 TOTAL'. On the right, a video feed shows a player named 'TMARTN2' wearing headphones and looking surprised. Below the video, there are two circular icons representing team logos. The main area features a 'ROUND WINNER' section with a globe icon and a table of skins. The table has columns for 'ITEMS ADDED', 'TOTAL', and 'ODDS'. Below the table, four specific skins are listed with their names and values.

BETTING PREDICTIONS

Welcome to the ESL One Cologne 2016 betting prediction. This section lets you place a bet on any team that, in your opinion, is going to win. All details that you might want to know are in the Q&A below.

How do I bet?

The same way you place on regular matches - choose a team, pick up to 4 items either from your Inventory or from your Returns and then click the "Place Bet" button. If you are using items from your inventory, wait for a bot to send you an offer, then accept it.

Who will win? How much?

Those who placed on 1st place at ESL One Cologne 2016. All of them will keep their items and additionally win their share from all lost items.

So how much can I expect to win?

Multiply value of your items by value taken from table, this is your potential reward. Keep in mind that those numbers are changing constantly - item prices are updated every day. Unfortunately we will be using old drafting way for this predictions so underpays/overpays may occur.

When will I get my winnings?

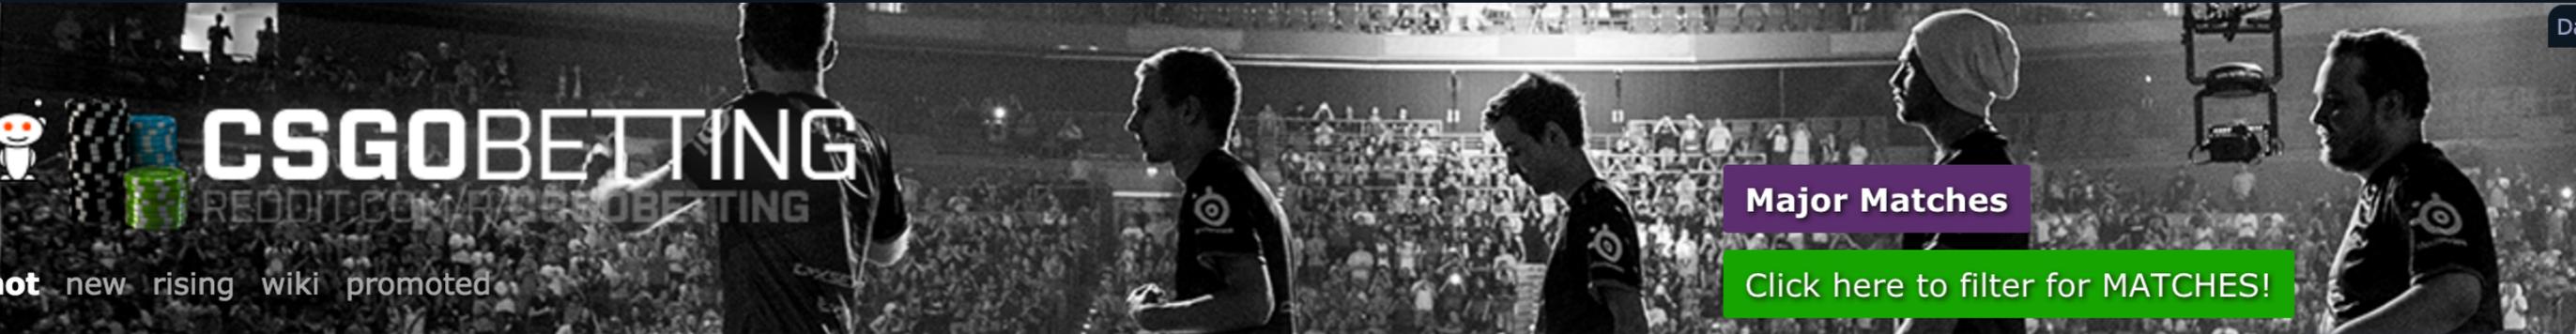

We plan to draft ESL One Cologne 2016 betting predictions on the next day, right after event finishes.

Can I cancel my bet?

Unfortunately not, just like regular betting you can only change a team.
