 @NBCNews @NBCOlympics @nbc You made such a rude comment to host the Olympics. **Japan** killed many korean people and **Japan** did not apologize properly. So Koreans want you to correct this comment and apologize.

 I could not believe what I heard during the Olympic ceremony. As an **NBC** commentator Mr. Ramo is incapable. He delivered incorrect information regarding Korea and **Japan**. Now would you say that Germany was the example of transformation to Jewish society? So wrong.

Can't wait for Tokyo 2020 where the Japanese announcers will introduce the United States as "the only country to ever nuke a populated city".
