

**Instructions**

You will be shown a series of curve clusters, one per page. You are asked to trace the sides of the stroke that the curves jointly convey.

**Example**

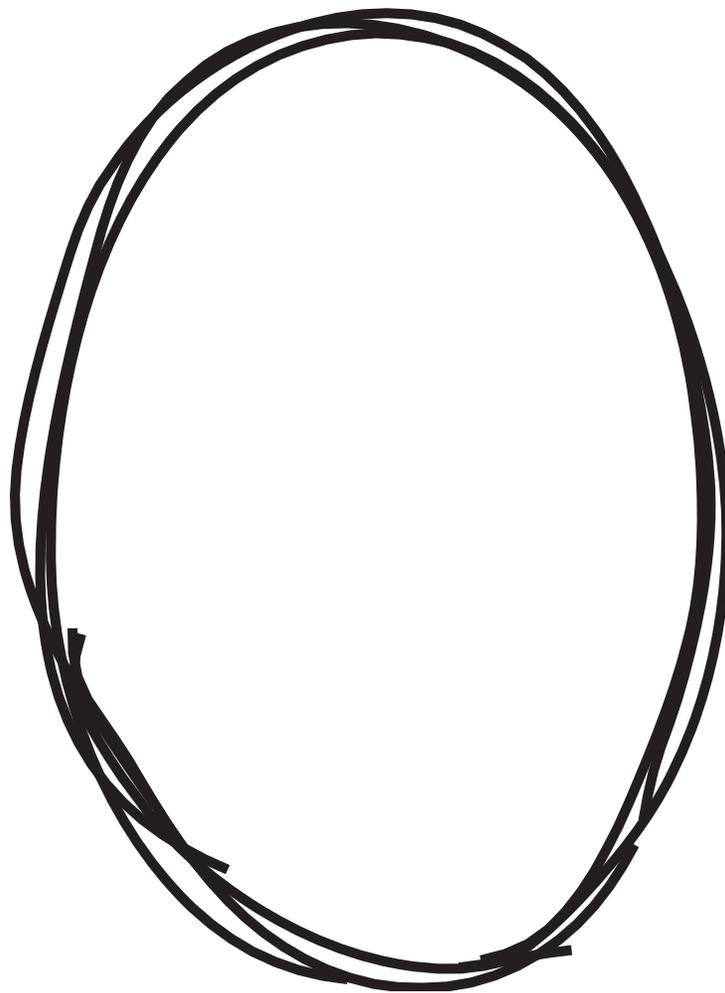

Please trace the sides of the stroke that is jointly conveyed by the curves below.

Please trace the sides of the stroke that is jointly conveyed by the curves below.

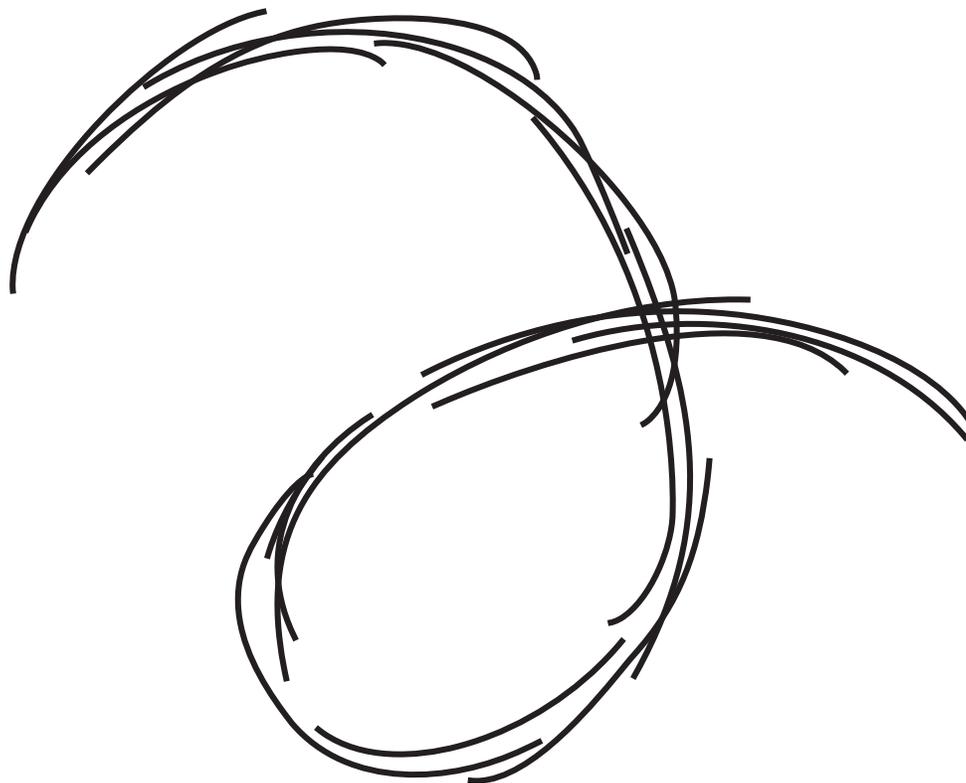

Please trace the sides of the stroke that is jointly conveyed by the curves below.

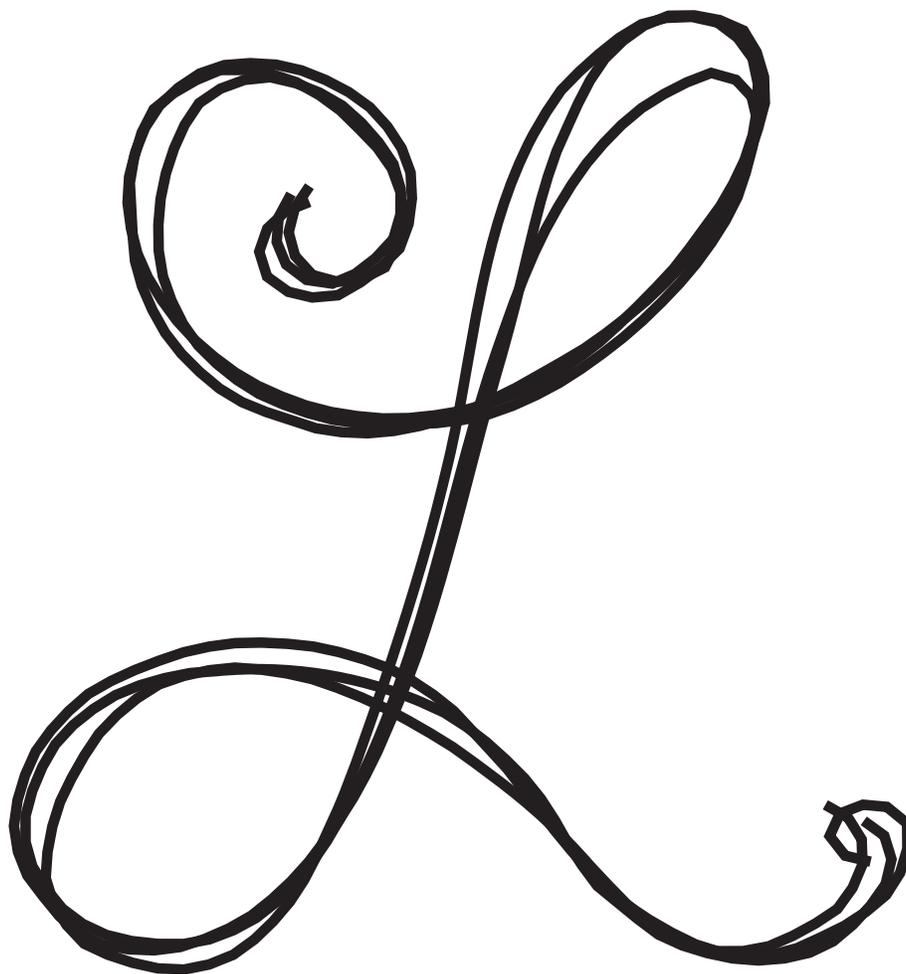

Please trace the sides of the stroke that is jointly conveyed by the curves below.

Please trace the sides of the stroke that is jointly conveyed by the curves below.

Please trace the sides of the stroke that is jointly conveyed by the curves below.

Please trace the sides of the stroke that is jointly conveyed by the curves below.
