You may log off, but *do not shutdown or turn off* these computers.

Headsets: Please ensure others cannot hear you. Return to hooks.

Printing is *not available* in the Reading Room.

See inside for list of printers & photocopiers available.

CS Department Users: To access department printers, (log off from public and) sign on with your CS department ID.

Resources

- Reading Room website and catalogue; Internet
- Adobe Digital Editions: ebooks, booklets, journals (*see inside for more info*)
- Videos: video training modules (*see inside for more info*)
- CS department-licensed software
- DVD-RW drives
- DreamSpark/MSDNAA download (Graduate student access only – log on with your CS dept. ID. Undergrads go to room ICCS 002 or ICCS X150.)

Save to *My Documents* or *C:\temp*.

Transfer to a USB key or email (webmail only when using the public logon).

Scanners available on both workstations. The right-hand one has a document feeder. You may scan to image file or to PDF.

Troubleshooting

1. Check Task Manager. End other processes.
2. Quit all programs. Restart.
3. Power off then on.
4. Hardware, software & network problems: contact help@cs.ubc.ca or **822-1423** (notify RR staff: rdngroom@cs.ubc.ca; 822-2017)

**When others are waiting,
please limit your session to 15 minutes.**

There is also a public kiosk at our front counter.
