WELCOME

As head of the UBC Technical Career Fair Committee, I am thrilled to invite you to join us for the upcoming 2020 TCF. Attracting more than 2500 students, our career fair provides employers the opportunity to showcase their exciting work to some of the most capable and energetic minds in Canada.

This year the event will be a two-day fair held on Thursday January 30th and Friday January 31st in the Great Hall at our new location: The Nest. As in the past, all applications will be handled through the UBC CareersOnline system; details are presented on the following page.

If you have any questions or concerns, please forward them to careerfair@ubccsss.org, where one of our committee members will address them as soon as possible.

We look forward to seeing you in January!
