

25 November, 2021

Supervisory Agreement Form for the Ph.D. Program

According to UBC Policy 85, <https://universitycounsel.ubc.ca/policies/index/> (noted below), graduate student supervisors are to outline issues such as stipends, supervision, research data & publications to new members of their research team. Please read the following carefully, then sign and return a copy to the department's graduate office.

Student Stipend:

- Form of Support: Teaching and/or Research Assistantships
- Amount of Support: 29,096, consisting of \$24,000 taxable income per year, plus Tuition Fee Award of \$5096 from GSI (estimated, based on the yearly PhD tuition amount for 2021, see below). Stipend support is paid out bi-monthly (15th and end of the month). taxable income per year
- Guaranteed Period: First 5 years for departmental support and 4 years for GSI months of the Ph.D. program
- Duties: combination of teaching and/or research activities
- # of hours: Teaching and research assistantship duties are based on an average of 12 hours-per-week
- Conditions of Support: To receive our financial support, the student must be:
 - a registered full-time UBC graduate student;
 - in good standing and making satisfactory progress in the academic performances;
 - making satisfactory performance in the assigned teaching and research assistantship duties.
 If the student receives additional funding from fellowships or other sources, s/he is required to inform the dept. The financial support will be modified accordingly.

Area of Research: The area of research will be _____.

Room number of your desk: The student's desk will be located in _____ (optional). If the room is different from the information in the department userinfo directory, the student should update it.

Supervision: The student is expected to conduct research under the general guidance of the supervisory committee. The student and the supervisor will meet regularly and the student's progress will be periodically reported to the department.

UBC's Intellectual Property Policies (Scholarly Integrity, Research, Patents and Licensing) - <https://universitycounsel.ubc.ca/policies/index/>: The student should be aware that UBC has a number of policies governing intellectual property: Policy 85: Scholarly Integrity, Policy 87: Research, and Policy 88: Patents and Licensing. These policies apply to all faculty, staff, students, and anyone connected with the University, such as visiting faculty or researchers who develop intellectual property using University facilities or with funds administered by the University.

Other Conditions (if any): Supervisor(s) can attach additional conditions.

Supervisor's Signature Chair of the supervisory committee	Name (please print)	Date
--	---------------------	------
