

BCCEC Institutional Report (October 2011)

Enrollment

There is a significant increase in CISY enrollment this fall. CPSC and B.Tech enrollment are about the same:

Programs/Courses	Fall 2010 Enrollment	Fall 2011 Enrollment
CISY	6 Sections	10 Sections ↑
CPSC	19 Sections	20 Sections ↑
INFO (B.Tech)	5 Sections	5 Sections

Program Update

CISY and B.Tech are under program review. CPSC courses are also being reviewed (for transfer purposes). The merge of the CSIS department and the B.Tech department has been approved at the department level.

Faculty

Three new contract faculty were hired (Jane Huang, Mohammad Shorfuzzaman, Jendy Wu). Jane Huang and Jendy Wu joined the department this Fall. Mohammad Shorfuzzaman will join the department next Spring.

Facilities

Computer labs have been upgraded to Windows 7, Visual Studio .NET 2010 and Office 2010 this fall.

CO-OP

The Co-op office is currently looking at getting co-op accredited through the Association for Co-Operative Education.
