

HOROSCOPES & HUMOUR

By Dave Tompkins

THIS MONTH: FILL IN YOUR OWN BLANKS!

ARIES (March 21 – April 19)

This month, try to focus on your [___], and not focus so much on your [___]. Also, you've been neglecting [___], which will start to affect your [___].

TAURUS (April 20 – May 20)

If there were just three things you'd like to change this month, it would be [___], [___], and [___]. But only one of those is feasible, and you know it.

GEMINI (May 21 – June 21)

[___] will feature prominently in your month, unlike the last several months which have been filled with [___] and [___]. Also, don't turn down any [___].

CANCER (June 22 – July 22)

Around the middle of December, you should really start to feel more [___] with your [___], which will help you ease into the new year with lots of [___].

LEO (July 23 – Aug. 22)

This month, whenever your mind starts to drift to thoughts of [___], you should take that energy and channel it into more important things, such as [___].

VIRGO (Aug. 23 – Sep. 22)

You know your friends [___] and [___]? Well they've been hiding a big secret from you. You'd better confront this before [___] and [___] get involved.

LIBRA (Sep. 23 – Oct. 23)

You're not getting any younger, so you might as well just [___] the [___], and [___] the [___]. When else will you have the opportunity to [___] the [___]?

SCORPIO (Oct. 24 – Nov. 21)

We are so tired of listening to you talk about [___]. Enough already. Move on. [___] isn't going to happen on its own, so [___] your [___] and [___].

SAGITTARIUS (Nov. 22 – Dec. 21)

You are really going to get lots of [___] this month, so much, that you'll [___]. But as you know, with [___] comes [___], so deal with it appropriately.

CAPRICORN (Dec. 22 – Jan. 19)

When the weather gets nasty this month, try not to get too depressed. If you do get miserable, we recommend you snap out of it with plenty of [___].

AQUARIUS (Jan. 20 – Feb. 18)

You are kind of heart and a good friend, which will be rewarded this month on several occasions. Your lucky numbers this month are [___], [___] and [___].

PISCES (Feb. 19 – March 20)

If you've been good this month, Santa will bring you lots of [___], but who are you kidding? You've been naughty (oh so naughty!), meaning lots of [___].
