

# 12 DAYS OF HOROSCOPES

By Dave Tompkins

## **ARIES** (March 21 – April 19)

**12 DUMMERS DRUMMING:** Listen to the drum beat of your heart this month as you try to sort out your messy relationships: Your mind is not for rent!

## **TAURUS** (April 20 – May 20)

**11 PIPERS PIPING:** You're going to have to pay the piper this month, both metaphorically in terms of your bad karma, and also because tuition is due.

## **GEMINI** (May 21 – June 21)

**10 LORDS A-LEAPING:** Soon you'll have to take a very large leap of faith, and we're not sure you're ready for it... but there's only one way to find out...

## **CANCER** (June 22 – July 22)

**9 LADIES DANCING:** If there is one thing we love here at horoscope central, it's dancing ladies... so enjoy this month of jam-packed dancing queen fun.

## **LEO** (July 23 – Aug. 22)

**8 MAIDS A-MILKING:** When you're spending time with your friends and family this season, play the broke student card – and then milk it for all its worth.

## **VIRGO** (Aug. 23 – Sep. 22)

**7 SWANS A-SWIMMING:** As you swim in debt this holiday season, we want to recite our favourite bad proverb: Only dead fish swim with the stream.

## **LIBRA** (Sep. 23 – Oct. 23)

**6 GEESE A-LAYING:** Life is really just a giant game of duck-duck-goose, and we'll let you in on a secret: Learn to run fast, or you'll end up as the goose.

## **SCORPIO** (Oct. 24 – Nov. 21)

**5 GOLDEN RINGS:** There will be 5 new rings in your life: (Note: not in order) a wrestling ring, a cock ring, a wedding ring, an onion ring and a ring of fire.

## **SAGITTARIUS** (Nov. 22 – Dec. 21)

**4 CALLING BIRDS:** You are sorely out of date with your phone calls... time to ring up all your old friends see how much happier than you they are.

## **CAPRICORN** (Dec. 22 – Jan. 19)

**3 FRENCH HENS:** Voulez-vous couchez avec moi ce soir? Un Poutine s'il vous plait. Mon crayon est grande et jaune. Ceci n'est pas un horoscope.

## **AQUARIUS** (Jan. 20 – Feb. 18)

**2 TURTLE DOVES:** The dove is a sign of peace and love, while the turtle is a symbol of slowness. So get ready for some slow, slow, peaceful love.

## **PISCES** (Feb. 19 – March 20)

**1 PARTRIDGE IN A PEAR TREE:** You should spend this month traveling around spreading love wherever you go... and a few STDs along the way.
