

**ARIES** (March 21 – April 19)

At one point this month you will have an unexpected itch. Whatever you do, resist the urge to scratch it. Seek medical attention immediately.

**TAURUS** (April 20 – May 20)

This month everyone will finally let you in on that in-joke that they've been making at your expense. But only because they have a new and better one.

**GEMINI** (May 21 – June 21)

You will hatch an elaborate and diabolical scheme this month involving a fake supernatural creature, only to be thwarted by those damn pesky kids.

**CANCER** (June 22 – July 22)

Something this month will arouse you, when you are not expecting to be aroused. When this happens, don't fight it – just enjoy the moment.

**LEO** (July 23 – Aug. 22)

Your self-delusion will reach an all-time high this month when you actually think that the stars are arranged in a pattern to decipher your pathetic life.

**VIRGO** (Aug. 23 – Sep. 22)

It may seem that the entire world is out to get you this month. However, it turns out that only 8.3% of the world is out to get you. Avoid Aquarius.

**LIBRA** (Sep. 23 – Oct. 23)

You'll realize that your fellow grad students have been taking credit for your research, and have been telling your supervisor that you're worthless.

**SCORPIO** (Oct. 24 – Nov. 21)

As you are reading this, a parallel you in a parallel universe is having amazing sex right now. In fact, they're having better sex than you will ever have.

**SAGITTARIUS** (Nov. 22 – Dec. 21)

This month, a cashier will give you incorrect change – but in your favour. The moral dilemma of this situation will slowly drive you insane.

**CAPRICORN** (Dec. 22 – Jan. 19)

You-know-who will finally find about so-and-so and the wink-wink, creating an embarrassing situation for both you and what's-their-name.

**AQUARIUS** (Jan. 20 – Feb. 18)

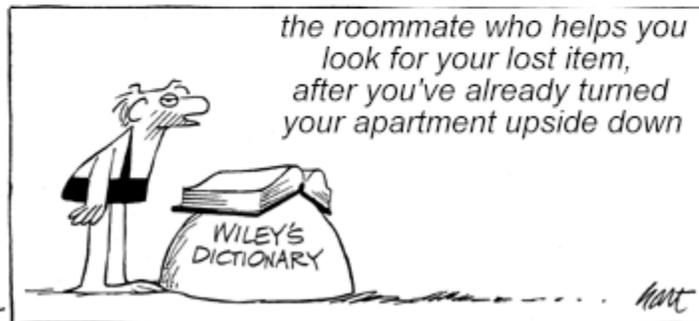

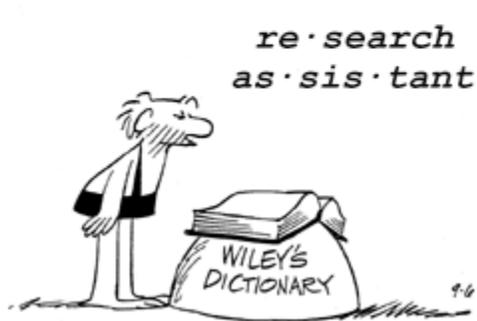

The stars have decided to reward you and grant you all that you desire – but first you must pay a proper tribute by sacrificing a Virgo.

**PISCES** (Feb. 19 – March 20)

The anticipation of the new Harry Potter movie will be too much for you to bear, and it will drive a wedge between you and your muggle friends.
