

## **Welcome to Vancouver!**

We have partnered with UNIGLOBE Advance Travel – a leading travel management company located in Vancouver, Canada to provide inbound airfare to Vancouver for our June 2008 conference. UNIGLOBE Advance Travel can also assist you in booking any pre or post convention tours.

UNIGLOBE Advance Travel is a “service first” travel management company, a truly personal travel management service, one that promises performance and delivers. UNIGLOBE Advance Travel offers the experience and ability to successfully manage our inbound airline needs for the June 2008 convention located in Vancouver. In conjunction with UNIGLOBE, we have negotiated air programs that offer savings from the regular published fares. To ensure our delegates receive the lowest available airfares Uniglobe places each air request through their airfare technology that searches at least 30 airlines and websites as well as offering their own negotiated inbound rates to ensure the best value.
