

Don't Just Sue Them...

Unless we broke the laws of physics, we must have missed something major.

1. First name shared by an on-and-off CEO and a smug guy who's law firm contains his name twice (6)
2. This state must be a big fan of TV – they named a place after another state where two of modern TV's biggest shows are set (8)
3. First name shared by a man formerly known as prince and a bro who really wouldn't want plasma lamp as a birthday gift (7)
4. A good man took the first name of a bad one, but he in turn was called by this new name when he eventually became good (2 4)
5. Most of the people in this puzzle fight in the same kind of house, but in this specific one the Brits won a different battle (8)
