

Power Play (Solution)

Each image refers to a more or less popular movie, while the word underneath is the last name of one of the main characters:

Billy Clanton in *Belfast* (played by Colin Morgan)
Marcus Aurelius in *Gladiator* (played by Richard Harris)
Harry MacBain in *Courage of Lassie* (played by Frank Morgan)
Alan Turing in *The Imitation Game* (played by Benedict Cumberbatch)
Erik "Magneto" Lehnsherr in *X-Men* (played by Ian McKellen)
Eddie Brock in *Spider-Man 3* (played by Topher Grace)

Each actor also played a famous "wizard" in another well-known movie/show:

Colin Morgan played Merlin in *Merlin*
Richard Harris played Albus Dumbledore in *Harry Potter and the Sorcerer's Stone*
Frank Morgan played Oz (aka Oscar Diggs) in *The Wizard of Oz*
Benedict Cumberbatch played (Dr.) Stephen Strange in *Dr. Strange*
Ian McKellen played Gandalf in *The Lord of the Rings* trilogy
Topher Grace played David Duke in *BlacKkKlansman*

The last names of these wizards fit into the spaces next to each image and the highlighted letters spell the solution to the puzzle: "MUGGLE".

Merlin

Dumbledore

Diggs (Oz)

(Dr.) Strange

Gandalf

Duke (KKK Grand Wizard)

Solution: **MUGGLE**
