

CPSC 111 2005/6 Winter Term 2 - Assignment #0
Instructors: Tamara Munzner and Steve Wolfman

Due: Monday, January 9th in class for Steve's section;
Tuesday, January 10th in class for Tamara's section.

The purpose of this assignment is to help us get to know you. We will do our best to learn as many as possible of your names over the term. Feel free to drop by our offices to introduce yourself!

"Official" Name: _____

Name you'd like us to use: _____

Homepage, if you have one: _____

Year: _____

Major, if declared, or academic interest otherwise: _____

Is this course a requirement for your program?

Are you considering Computer Science as a major?

Tell us a bit about yourself. (For example, Steve loves dogs and enjoys biking, especially on his recumbent. Tamara, on the other hand, knows that cats are the best animal ever and loves reading science fiction.)

What brings you to Computer Science?

CONTINUED ON THE OTHER SIDE

Have you taken an introductory programming course before or taught yourself how to program?

If so, what programming language(s) did you learn and how proficient do you consider yourself to be in each language (beginner / intermediate / expert)?

What's something specific you'd like to learn or be able to do with computers? (For example, I've always wanted to be able to program my cell phone!)
