REFLECTIONON DESIGN
REFLECTION IN STUDIES

Dr. Tamara MUNZNER
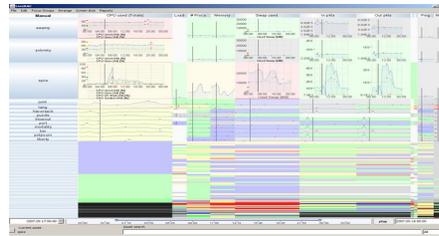

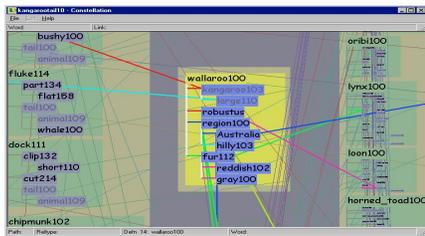

University of British Columbia

Reflection arises from struggle when writing

learn → winnow → cast → discover → design → implement → deploy → reflect → write

late articulation of themes present all along

Constellation (*InfoVis 99*)

LiveRAC (*CHI 05*)

RelEx (*InfoVis 12*)

mid-point articulation - still triggered by writing!

Vismon (*EuroVis 12*)

VariantView (*InfoVis 13*)

Overview (*InfoVis 14*)

recent best practice: start writing earlier, in parallel
