UBC Computer Science Graduate Students: What do they know? Do they know things? Let’s find out!
A trivia game show hosted by Bereket Guta

UBCCSGS: WDTK? DTKT? LFO!
What is Trivia?
What is Trivia?

Trivia is information that is considered to be of little value - Wikipedia
What are my credentials?
What are my credentials?

None
We will be playing **UBCCSGS:WDTK?DTKT?LFO!**

**How to play:**
- The game is similar to Jeopardy!
- Contestants choose questions with a dollar amount, from a board, and answer (I will share my screen)
- Correct answer scores get added to players scores
- Incorrect answer scores are removed from your score
- The person with the highest score at the end wins the game!
- There will only be 3 Rounds (depending on time)

Join the game here: [https://www.multibuzz.app/](https://www.multibuzz.app/)
Room Code: FFDTBPX
Instructions

- You have 30 seconds to answer once you buzz in!
- The first person to buzz gets to answer first
- If you get the answer right, the amount is added to your score and you get to choose the next clue
- If you get it wrong, the amount is removed from your total (you can go negative!)
- If the first person gets it wrong, the second person who buzzes in can answer (and it continues until someone gets it right)
- If no one gets it right or no one buzzes in, the person who originally chose gets to choose the next question

Join the game here: https://www.multibuzz.app/
Room Code: FFDTBX
Instructions

- You must wait for me to **finish reading the question** before you buzz in!
- You will have **30 seconds** to buzz in once I finish reading the question
- Once the 30 seconds is up, I will reveal the answer
- To make the tracking of points easier, you can team up with someone but make sure only one of you joins the link below!
