Now North Korea vows to turn South into ‘SEA OF FIRE’ after US deploys anti-missile system

NORTH KOREA has pledged to turn South Korea into “a sea of fire and a pile of ashes” after its neighbour and the United States moved to deploy a missile defence system near its territory.

In addition to winning the Electoral College in a landslide, I won the popular vote if you deduct the millions of people who voted illegally.

Amazing that Crooked Hillary can do a hit ad on me concerning women when her husband was the WORST abuser of woman in U.S. political history.

Our Southern border is unsecure. I am the only one that can fix it, nobody else has the guts to even talk about it.

The concept of global warming was created by and for the Chinese in order to make U.S. manufacturing non-competitive.
