the terrifying power of korean netizens

Can't wait for Tokyo 2020 where the Japanese announcers will introduce the United States as "the only country to ever nuke a populated city".

“now representing Japan, a country which occupied Korea from 1910 to 1945. But every Korean will tell you that Japan is a cultural and technological and economic example that has been so important to their own transformation…”

NBC parts ways with analyst after Korea-Japan comments draw major backlash

example, has been so important to their own transformation.”
